A Note From Our Executive Director

In the past two months we have had a lot of new residents moving in and I just want to give a shout-out welcoming them to our home and their new one. I was able to take a trip with our residents to a farm last week and we had a lot of fun and laughs. This month we have our Grandparents Day BBQ on the 10th, which is so much fun. Please try and stop by. Also that day, we will be kicking off National Assisted Living Week and the theme is all about family. This is a week that we recognize all the hardworking folks here who are so special to so many people. I personally am very thankful for all of you and for what you do every day. I'd like to share the quote this year with you all..."*Family isn't always blood, it's the people in your life who want you in theirs: the ones who accept you for who you are, the ones who would do anything to see you smile and who love you no matter what.*" See you at the BBQ!!

Sue and Norma challenged each other to a game of Scrabble!

Residents of The Promenade went to a farm in Middletown. They had a wonderful time seeing and visiting all the animals. Joe and John enjoyed the cockatiel best; he spent the afternoon sitting on Joe's shoulder.
