Spread the Word With Google Reviews

On Google Maps, you can write reviews for places you've visited. You can also leave info about a place; like if it's quiet, lively, or to your liking. We encourage you to try it. Don't get us wrong, we love handwritten notes, but this is a way to get the word out to everyone!

Please share your experiences online if you've toured, visited, attended a program/party, or moved to Promenade at Chestnut Ridge!

Please contact Debbie Corwin if you need more information on how to set up a Google account or to write a review using Google.
