We celebrated our 100 year-olds!

Mother's Day in Other Lands

- In France, Mother's Day is referred to as Fete des Meres.
- In Spain, Mother's Day is celebrated on the 8th of December.
- In Sweden, Mother's Day is on the last Sunday in May and is a family holiday.
- In Yugoslavia on Mother's Day, the children tie up their mother, releasing her only when she has given them sweets or goodies.

May is ALS Awareness Month. Visit www.alsa.org for more information.

So what's with the go-cart?

Race Team Promenade!

Happy Mother's Day From All of Us at the Promenade at Middletown!

Celebrate!

On the 100th day of 2019, we celebrated the five residents who are 100 or older. Angie L., shown here with Jenn Reese and Karen Treacy, is 105!

Such an important event warranted news coverage from Spectrum News! Toni B. tells her life story to the reporter.

Anna Mae H. and Dorothy B. thank Eva for everything.

Eva has been here since 1992, becoming one of the longest-serving team members. Above, Eva accepts thanks from Dir. of Nursing Nancy Aris.

Thank You, Eva!

Nurse Eva Spezio, who has been a fixture at the Promenade for many years, retired on April 16. We honored her with a gala party where residents and staff could thank her for her many years taking care of us.

Born in Germany, Eva immigrated to the United States as a young adult, working as a nurse until joining our team here in Middletown.

Enjoy retirement, Eva, and know that you will always be in our thoughts.

Employee of the Month

Meet Tina Decker

Care Manager Tina Decker is a lifelong Middletown resident who loves her job and her residents. The mother of one has two grandchildren that mean the world to her.

Tina is an avid couponer who prides herself on saving money.

Reliable and dependable, Tina will do anything for her residents. Thank you, Tina, for everything you do!

Eva, shown here with her son Stefan and Nellie J., plans to spoil her two grandchildren.

Dye Job

Time decorating Easter eggs is time well spent! Take a look at some of our creations!

Laura D. produces a multitude of colors.

Dorothy G. concentrates on her work in order to create the perfect decoration. Did you know that if you draw designs with crayons when dyeing eggs, you can layer colors?
