Time to Walk to End ALZ!

Held annually in more than 600 communities nationwide, the Walk to End Alzheimer's® is the world's largest event to raise awareness and funds for Alzheimer's care, support and research.

Team Promenade Senior Stars is a longtime sponsor of the local Walk. We've raised thousands of dollars over the years to help fuel the Alzheimer's Association's mission and change the level of Alzheimer's awareness in our community.

Join us at Thomas Bull Memorial Park on Sat., Oct. 5!

October Is Breast Cancer Awareness Month

- About 266,120 new cases of invasive breast cancer will be diagnosed in women.
- About 40,920 women will die from breast cancer.
- Visit www.cancer.org for more info.

AL Week

Staff at the dance party!

Creative juices at work.

Fun for Assisted Living Week

Last month we celebrated National Assisted Living Week with a resident art show, a boat trip, a dance party, a snack and paint party, and other fun activities that show our residents how much they meant to us.

Check out the fun pictures!

Another Successful Car Show!

The weather was gorgeous. We had a record number of cars that wrapped around the building and we raised over \$3,000 for Team Promenade Senior Stars and the Walk to End ALZ!

Promenade at Middletown would like to thank Steve Heater, Donna Kessler (*My Ride* columnist for the *Times Herald Record*) and Silvernail Motorsports for their continued hard work and support. Their continuing support helped to make this year's show a rousing success.

Hail to the Chief!

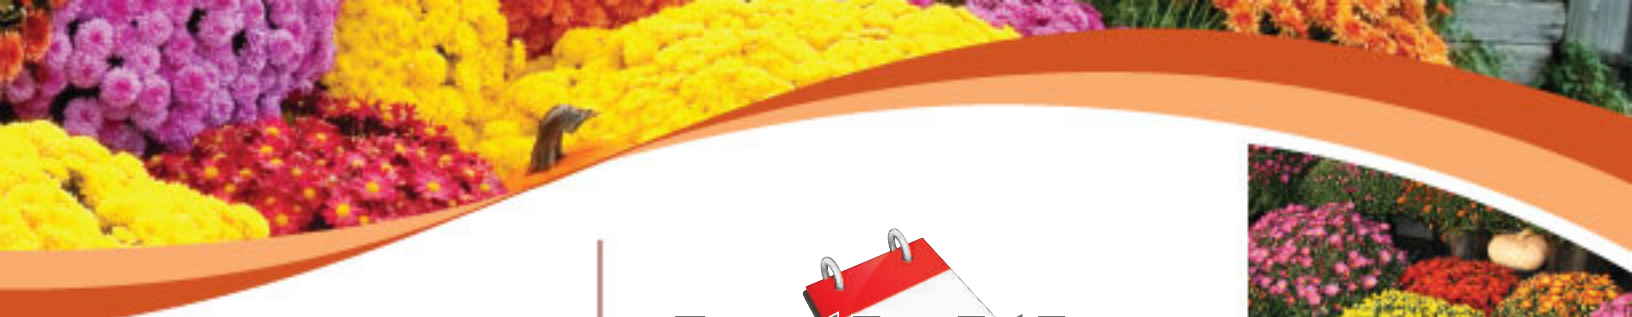

The neighborhood watch has arrived!

Jay Silvernail, (!) and Karen T. surrounded by some of the Silvernail Motorsports stable

Employee of the Month

Meet Gene McManus

Med Tech Gene McManus has been a part of the Promenade family for 11 years! He started as a dietary aide, and became a med tech later in his career.

The Warwick resident has just started a new hobby - gardening - which he finds enjoyable and relaxing. His family members include four cats, a dog and two ducks!

Thank you, Gene, for caring for our residents with patience and a smile!

Activities

Our October Surprises Weren't Finalized at Press Time, But Stay Tuned!

As part of Assisted Living Week, we sponsored an Art Show where some of the work done by our residents was on display.

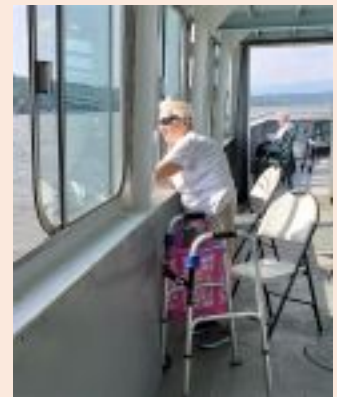

Just a boy and his race car!

On the Hudson

Last month, we took our annual late summer cruise down the Hudson River. We embarked from the scenic Rondout area in Kingston after picnicking al fresco near the river.

**Lead the way to
Alzheimer's first survivor.**
