#### A Huge Thanks to Our Promenade Residents and Families

Our Staff would like to thank all our residents and their families for sending us cookies, chocolates, fruits, and gifts for our staff to enjoy. You helped make the holidays even more special for all of us.

Your expressions of thanks and your kind words will be cherished by all as we start 2020 with the same passion for the work we do and the love we have for our residents.

#### Valentine's Day

*We celebrate today  
 Valentine's Day,  
 To tell our loved ones how we  
 feel in a very special way.*

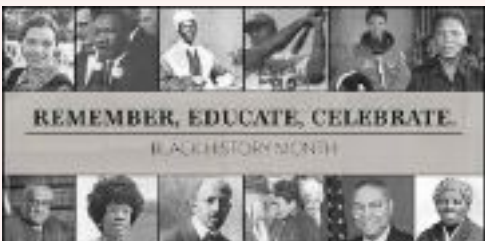

*Whether it's spouse, child,  
 grandchild or friend,  
 Give them a hug or a hand  
 that you warmly extend.*

*The chocolate, flowers, and  
 card are the things you usually  
 do,*

*But what is just as important is  
 to express loving feelings that are  
 honest and true.*

*We all have someone who  
 gives us love and pleasure,  
 Give it back with endearing  
 words that they will always  
 treasure.*

 Resident Marilyn A.

Our Activities staff will be presenting a historical time line of events in honor and celebration of Black History Month. Please feel free to join us for this and any other programs that interest you.

#### Take a Leap

Take inspiration from Leap Day on Feb. 29 to "take a leap" and try something new in your life, such as joining a club or taking a class.

## Join Us for a Winter Respite Stay

Are you worried about cold, snowy days that will prevent you or your loved one from leaving the house this winter? Our *Winter Respite Stay* might be just what the doctor ordered! It's a great way to experience all the warmth our community has to offer!

Since the recent major temperature drop, we've had the usual spike in calls from so many concerned adult children, asking about respite-stay availability so they could have peace of mind knowing their parents wouldn't be isolated during a big freeze or snow storm.

Respite-stay residents can take advantage of all our services and amenities and enjoy our wonderful activities while family members can take great comfort knowing their loved ones will be safely looked after. We can provide assistance to those needing help with activities of daily

living such as showering, dressing and toileting. We can also assist residents with managing their medications.

This respite program has also been very successful in helping friends and families introduce a whole new way of life to seniors who are not quite sure if they should make a permanent move. In fact, many of our residents started with our respite program.

There is limited availability, so if you're interested in our *Winter Respite Stay* program, give us a call soon so you won't be left out in the cold! The respite program runs through 3/31 only.

Call Debbie Corwin, Director of Community Relations, at 845-620-0606 for more info.

## Our Beautiful Bride, Asmide

Asmide J., one of our Home Health Aides, got married!

We welcomed her back to work with a wedding shower. The room was decorated by Nilly and the cake was enjoyed by everyone. It was nice to all be together to celebrate something so wonderful!

As co-workers, we become one big family. Our residents were so excited to see all the wedding pictures and wish her well.
